[LEAD HAZARD FREE CERTIFICATE] # 2829

It is hereby certified that a lead paint inspection/risk assessment has been performed in accordance with the protocol referenced in N.J.A.C. 5:17-3.2(c) and the results of which indicate that no lead hazards have been found in the dwelling units or common areas listed below. It shall be the owner's responsibility to perform any required on-going evaluation and maintenance to ensure that these areas remain in a *Lead Hazard Free* condition.

This certificate should be kept by the owner and transferred to all future owners for the life of the structure.
